- B. For the purpose of establishing seniority for employees hired on the same date and job classification, seniority shall be based on the employees' overall ranking as candidates and as established by Human Resources prior to the Chief's interview. The employees' candidate ranking shall be kept on file and copies shall be made available to the employee.
- C. The anniversary date for an employee hired between the first and fifteenth day of the month will become the first day of that month. The anniversary date for an employee hired between the sixteenth and last day of the month will become the first day of the following month.

ARTICLE 17 – PROMOTION AND TRANSFER

- A. Promotion is the change of position for an employee from a position in one class designation to a position in a class assigned to a higher salary range.
 - 1. Any job vacancy may be filled by promoting qualified employees within the City service.
 - 2. The City may recruit and appoint applicants from outside the City service when there may be better qualified applicants available outside the City service.
 - 3. The appointment to fill a vacancy shall be made on a competitive basis utilizing criteria established by the City. Where qualifications and ability are relatively equal, seniority within the City service shall be the determining factor.
 - 4. Promotional probation appointments shall be twelve (12) months, during which, the City may return the promoted employee to their former position or be demoted to it for reasons that are not arbitrary or capricious. If the employer or employee exercises the options above and further staff movements are necessary, there shall be sequential downward bumping in reverse order of that which filled the open position created by the promotion addressed in this paragraph. These demotions shall occur without recourse to the grievance and problem solving process of this agreement.

5. By mutual agreement between the City, the employee and the Union, on a non-precedent setting case by case basis, the promotional probationary period may be extended for a time period up to an additional six (6) months.

ARTICLE 18 – LAYOFF AND RECALL

- A. Employees shall be laid off in reverse order of their seniority within the department and by classification.
- B. Temporary employees will not be used to fill laid off bargaining unit positions. All temporary and probationary employees shall be laid off before any regular bargaining unit employees are laid off. This does not apply to seasonal employees. A seasonal employee is an employee who is employed to fill authorized positions for a limited duration to perform seasonal work during the seasonal periods, March 1 to September 30, by mutual agreement.
- C. A layoff is defined as a separation from the City due to the reduction or elimination of a position. All affected employees and the Union shall be given written notice of layoff at least thirty (30) calendar days before the effective day, stating the positions to be laid off. The parties will then meet again within ten (10) working days of receipt of layoff notice to identify the options. The parties will then meet again within ten working days of the previous meeting to complete the process, or within such other times as the parties' mutual agree.

Employees shall have the following options:

1. Accept the layoff.
 2. Request assignment to a vacant position within the department for which they possess the necessary qualifications.
 3. Displace the employee with the lowest seniority in another classification in the department if the employee is qualified for the position.
- D. **Qualification.** The qualification of an employee to bump shall depend on that employee's current possession of required certifications and the knowledge, skill and ability to perform the job initially upon assignment at a satisfactory level of performance with minor on-the-job orientation. If the City finds the employee is not satisfactorily performing the job duties, the employee may be laid off and replaced with the employee displaced from that position. The employee will be placed on the layoff list.
 - E. **Placement.** Employees who displace an employee in a lower pay range shall be paid the salary closest to their current salary on the pay range of the displaced employee.
 - F. **Recall.** Employees who are laid off shall be placed on a layoff list by classification from which the employee is laid off. Employee shall be recalled to available vacancies in positions from which they were laid off in seniority order beginning with the employee with the highest seniority. An employee shall remain on the recall list for twenty-four (24) months.

1. Reappointment or refusal of reappointment to the former position from which the employee was laid off shall result in the employee's removal from the layoff list and right to recall. An employee recalled to a position other than that of layoff may opt to remain on the layoff list for the position from which they were laid off.
2. All employees on the layoff list have priority over outside hiring provided the employee is fully qualified and can perform the duties of the job.
3. Upon recall to any position in the City a recalled employee shall have restored all accruals of sick leave, seniority in effect on the date of layoff.
4. If recalled to a different position in the same classification or in a different classification, then the employee shall be placed on probation for six (6) months. The employee will be placed at the step and range closest to that held when laid off. A new anniversary date will be established as the date of return to work.
5. If recalled to the former position, the employee will serve no probationary period. The employee will return to the same range and step as when laid off, will have a new anniversary date for purposes of step increases.
6. Employees on layoff must keep the City informed of their most current address and telephone number during the period of layoff. Failure to do so results in forfeiture of any entitlement under this agreement to recall or return to work.

G. Safer funded positions shall be handled in accordance with any stipulations of the grant.

ARTICLE 19 – PERSONNEL FILES

- A. Each employee shall have the right, upon request, to review and obtain, at their own expense, copies of the contents of their personnel file, exclusive of materials received prior to the date of their employment by the City, at the cost established by the City for photocopy charges. The official personnel file shall be maintained by the City Manager or designee. No other file can be used against any employee in any procedure under this contract.
- B. Employee personnel records shall be considered confidential and shall be accessible only to the employee involved, or their designee, and/or selected City officials authorized by the City Manager. This restriction shall not limit City use of the record as necessary or disclosure as required by law.
- C. No portion of the employee's file shall be reproduced without the written consent of the employee, or otherwise in any manner required by the City's needs or by Oregon law.
- D. Each employee shall read and sign any derogatory or critical material that is placed in their personnel file, including employee evaluations, written reprimands, suspensions or discharge, and shall be given a copy. Signing does not necessarily indicate agreement. If an employee refuses to sign or is absent from work that fact shall be attested to in writing or the document when it is placed in the file. An employee may respond, in writing, to any item placed in such personnel file, and response shall be factual and shall be attached to the item responded to.

- E. Written reprimands or other derogatory materials shall be purged from the file after satisfactory performance for an adequate period as determined by the City. This does not apply to disciplinary suspensions and more severe discipline. Purged materials shall be retained in a separate system of records for purposes of the City unrelated to enhancing discipline or employee performance or qualification assessments.

ARTICLE 20 – DISCIPLINE AND DISCHARGE

- A. **Discipline.** Discipline may include but not be limited to oral or written reprimands, suspension, demotion and termination, except those oral reprimands shall not be subject to grievance. Discipline may be imposed in the form of loss of vacation accruals or temporary reduction in pay steps. No regular status employee shall be reprimanded, suspended, demoted or discharged except in good faith for just cause, nor shall any such employee be reprimanded, suspended, demoted or discharged arbitrarily or for political, religious, racial or other discriminatory reasons. All disciplinary action imposed upon an employee, except oral reprimands, may be protested through the entire problem resolution process including grievance and arbitration. All disciplinary action which results in a loss in employee compensation may be protested directly to the City Manager as specified in Article 21 of this agreement. An oral reprimand shall be done in a manner, which will not embarrass the employee before other employees or public.
- B. **Procedure.** If the City determines there is just cause for economic discipline, the City shall deliver to the employee and the Union a written notice of the discipline and specify the principal grounds for such action, the general facts upon which discipline is to be based, and the range of discipline under consideration. The employee shall be permitted an opportunity to offer explanation, defense and mitigation to the decision maker before the discipline is imposed. Protests of the discharge of an employee shall be directed to the City Manager as specified in Article 21 of this agreement.
- C. **Probationary Employees.** This article shall not apply to any employees on initial probation under the terms of this agreement.

ARTICLE 21 – GRIEVANCE AND ARBITRATION

- A. For the purpose of this agreement, a grievance is defined as any one of the following:
 - 1. A claim by an affected employee covered by this agreement and that a specific provision or clause of this agreement has been violated.
 - 2. A claim by the Union’s Executive Committee that a specific provision of clause of this agreement has been violated.
- B. Filing a grievance. Before filing a grievance concerning a non-disciplinary matter, the aggrieved employee and the Union will attempt to resolve the issue informally.
- C. A grievance is filed when the grievant and their Union representative submits a written statement of the grievance at the appropriate step of the grievance procedure. The grievance must include the following information:

- a. Name of the grievant(s)
- b. Date of filing
- c. Relevant facts and explanation of the grievance
- d. A list of the articles of the agreement allegedly violated
- e. A description of the remedy sought

D. An individual employee who does not wish the Union's Executive Committee to pursue a grievance may notify the Union in writing at any time, and the Union must withdraw the grievance. A grievance which is resolved by an individual's exercise of the right to withdraw consent hereunder shall not constitute a precedent with regard to the substance of the grievance in question.

E. A grievance shall be processed as follows:

Step 1: Within fifteen (15) calendar days after the alleged violation, or the date the employee or Union knew or reasonably should have known of the violation, the employee will meet with the supervisor in charge and present the facts and the alleged contract articles(s) violated. The employee may at their option be accompanied by a Union representative.

Notwithstanding the above, both Union and City shall not be liable for any contract violation remedy beyond ninety (90) days from the date of alleged violation.

Step 2: If unresolved by the parties within ten (10) calendar days of such meeting, the grievant and/or the Union representative will present to the Fire Chief (or their designee), a written statement of the alleged violation and remedies sought dated and signed by employee and/or the Union's representative with a copy to the City's Human Resource Manager. Such submission must be made within ten (10) calendar days following inaction or rejection by the Step 1 supervisor.

Step 3: If the grievance is unresolved at Step 2 the grievance may be referred to the City Manager within ten (10) calendar days following the date of rejection or expiration of the actions concluding Step 2, whichever occurs first.

Step 4: If the grievance is unresolved at Step 3, the grievance may be submitted to arbitration within ten (10) calendar days of the rejection or inaction at Step 3. If the grievance is submitted to arbitration, within ten (10) days of such notice, a request will be made to the Oregon State Conciliation Service for a list of seven (7) qualified arbitrators. The City and the Union will alternately strike six (6) names from the list. The party to strike first will be determined by coin flip. The last name remaining will be the arbitrator. The parties agree that, if possible, no less than five (5) days prior to any scheduled arbitration hearing, they will mutually exchange copies of all exhibits intended to be offered at the hearing, except the work product of any attorney or authorized representative involved. Expenses of the arbitrator and costs incident to the conduct of the hearing will be paid split equally between the parties. The jurisdiction of the arbitrator shall be limited to interpretation of the specific provision or provisions of this agreement which have been placed in issue by the parties and the arbitrator shall have no authority to add to or detract from

this agreement or any portion thereof. Any or all time limits specific in the grievance procedure may be waived by mutual consent. Failure to submit the grievance in accordance with the time limits without such waiver shall constitute abandonment of the grievance. City failure to comply with the time limits specified above will automatically move the grievance to the next step herein.

- F. Grievances will be filed at Step 1 of the grievance procedure unless the City and the Union mutually agree to filing at a higher step.
- G. Oral reprimands are not subject to the grievance procedure. Written reprimands may be grieved through Step 2 only.

ARTICLE 22 – NO STRIKE

- A. During the life of this agreement, while acting in the course of their employment with the City or in regards to their employment with the City, the Union and its members, as individuals or as a group, will not initiate, cause, permit or participate or join in any strike, work stoppage, slow down, picketing or any other restriction of work. Employees in the bargaining unit, while acting in the course of their employment or in regards to their employment with the City, shall not honor any picket line when called upon to cross such picket line in the line of duty. Disciplinary action, including discharge, may be taken by the City against any employee or employees engaging in a violation of this article. No employee shall be required to perform work that is not their normal work assignment.
- B. In the event of a strike, work stoppage, slow down, picketing, observation of a picket line or other restriction of work in any form, either on the basis of individual choice or collective employee conduct while acting in the course of their employment with the City or in regards to their employment with the City, the Union will immediately upon notification make a reasonable attempt to secure an immediate and orderly return to work.

ARTICLE 23 – RESIDENCE REQUIREMENT

- A. Employees of the bargaining unit shall not be subject to any residence requirement maintained by the City.

ARTICLE 24 – SMOKE FREE WORKPLACE

- A. The City and Union agree during the term of the Collective Bargaining agreement that all City buildings and vehicles shall remain smoke free as defined by Oregon Law.

ARTICLE 25 – WELLNESS

- A. Employees are permitted up to one (1) hour per shift on the current shift schedule for fitness activities at the station. Fitness activities will be interrupted for emergencies or customer service demands. Employees retain the ability to schedule their workout time throughout the work day, subject to the needs of the Department.
- B. City agrees to find suitable space in the fire station for a reasonable amount of free weights, other fitness machines and accessories.

- C. The City agrees to provide each employee with \$20.00 per pay period as a substitute for a gym membership. This may be a taxable benefit per applicable law. City agrees to provide the employee \$450 annually, as a substitute to gym membership. This may be a taxable benefit per applicable IRS regulations.
- D. City will provide annual physicals for all full time employees are defined in NFPA 1582.

NFPA 1582 Medical Evaluations

Fire personnel assigned to fire suppression functions will receive a physical examination in accordance with NFPA 1582, current edition. All Category A medical conditions have been reclassified by the Fire Department as Category B, to allow for advances in medical technology and reasonable accommodation of medical conditions where possible. All of these conditions shall be linked to the ability to function as a Firefighter EMT.

The medical evaluations shall be conducted in accordance with the following schedule:

- a) Ages 29 and under - every 3 years
- b) Ages 30 to 39 - every 2 years
- c) Age 40 and above - every year

Medical evaluations shall be performed by the Department Physician at no cost to the employee. For purposes of the physical each employee who completes the physician visit while off duty will be paid for two hours of overtime at the time and one-half rate. This payment will cover both the office visit and travel time.

No employee medical information, except for vaccination and immunization status, will be released to the City or its representatives. The City will only be informed of the employee's ability or inability to perform the requirements of their job description.

Employees found with medical conditions that prevent them from performing duties are eligible to use sick leave, vacation leave, any available leave provided by State or Federal Government, and leave without pay (at the discretion of the Department) until they can be cleared by the Department Physician or their attending physician to return to duty. If needed in addition to the job analysis worksheet, and recommended by the Department physician or attending physician for their determination, the employee may be required to successfully complete the physical fitness testing referenced below. If such testing is recommended by the Department physician or the attending physician, the employee shall not return to their regular assignment until they have successfully completed physical fitness testing.

Disagreements with the Department Physician will be handled in accordance with the guidelines of NFPA 1582, current edition.

The Fire Department Physician shall report the results of the medical evaluation to the firefighter, including any medical condition/s disclosed during the medical evaluation, and the recommendation as to whether the firefighter is medically certified to perform as a firefighter. The physician's criteria for determining whether a firefighter is medically certified or not shall be NFPA 1582, Chapter 2-3.

The Fire Department Physician shall inform the Fire Department only as to whether or not the firefighter is medically certified to perform as a firefighter. The specific written consent of the firefighter shall be required prior to release of confidential medical information to the Fire Department.

In the event that a firefighter is determined to be not medically certified to perform the duties of a firefighter, the firefighter has the option to seek another opinion from the physician of their choice at the Department's expense. If there is still disagreement about the condition or placement recommendation, a third physician (acceptable to both the Fire Department and the employee) will be consulted. The firefighter shall pay for all costs associated with the third physician. The City's final decision will be determined by Human Resources. If the medical condition is deemed permanent and the firefighter cannot be rehabilitated to return to suppression duties, then the City Human Resources (in coordination with other pertinent agencies) will determine the next step, including but not limited to, termination, reassignment, or retirement.

If a firefighter is deemed not medically certified to perform these duties but the Department Physician determines that rehabilitation is possible, the Department will assist the individual in their rehabilitation efforts by allowing the use of sick/vacation or other eligible leave and may allow options such as modified duty or reassignment, leave without pay, and shift trades (this does not represent an exclusive list of options).

Mandatory Physical Fitness Training. Bargaining Unit members assigned to fire suppression duties shall participate in daily physical fitness training as developed in collaboration with the Union and the Fire Chief.

Physical Fitness Testing. Union members assigned to fire suppression duties will participate annually in physical fitness testing. Testing shall consist of successful completion of the Department's Physical Ability Test within the required time constraints. The test may be repeated once within 14 days.

If the employee fails to complete the test, they will be sent to the Department Physician for a medical evaluation. If medically cleared, they will be reassigned to a 40-hour workweek on a modified duty assignment for a period not to exceed three months. During this time, the employee will be allowed up to two hours per day of physical conditioning, in addition to other non-suppression duties. At any point during this three months, the employee may request to take the Physical Ability Test again. The test may be repeated once within 14 days. This process may be repeated twice (not to exceed 9 months from the date they are medically cleared to participate in the process) prior to reassignment or termination.

ARTICLE 26 – OUTSIDE EMPLOYMENT

- A. The employee shall be able to work in other jobs outside City employment so long as such jobs do not present a conflict of interest, affect the performance of their work duties for the City, or subject the City or City employees to public criticism. The employee shall notify the department head and receive prior approval before entering into outside employment. Such approval shall be granted or denied solely on the limitations of this article and shall not be unreasonably denied.

ARTICLE 27 – LABOR MANAGEMENT COMMITTEE

- A. The City and the Union shall each appoint two (2) members to a labor management committee. The purpose of the labor management committee will be to discuss those issues which impact both bargaining units and are mutually agreeable to the parties. The parties may create such subcommittees as are deemed appropriate. The composition of the labor management committee and any sub-committee will be determined by mutual agreement of the parties. The labor management committee and the sub-committees, if any, may issue such recommendations of the Union and to the City as are appropriate.
- B. The labor management committee shall have an initial organizational meeting within 60 days of the signing of this agreement.
- C. The labor management committee shall meet when requested by either party at mutually convenient times and places to discuss any matters pertinent to maintenance of good city-employee relationships. Each party shall advise the other at least seven (7) calendar days prior to such a meeting of the meeting and the subjects to be discussed. The labor management committee may issue such recommendations to the Union and to the City as are appropriate.

ARTICLE 28 – MID-TERM CHANGE

- A. In the event the City elects to change an established past practice related to a subject not addressed in this contract, if the change is a mandatory subject of bargaining, then the parties agree that the bargaining requirements of Oregon law shall be complied with. The City shall provide written notice of the change to the Union; the Union may demand to bargain concerning the impacts of the change, and if it does so, the City shall bargain in accordance with ORS 243.698. If ORS 243.698 is amended, either party may re-open this Article to bargain into conformity with Oregon law as amended.

ARTICLE 29 – SAVINGS CLAUSE

- A. Should any article, section, provision, or portion thereof of this Agreement be held unlawful or unenforceable by any court of competent jurisdiction or become unlawful through a change in applicable state or federal statute, only the specific article, section, provision, or portion thereof will be invalidated. The remainder of the Agreement will still be given full force and effect and remain binding on the parties. The parties agree to meet promptly in order to bargain replacement language for any part of this Agreement that is held to be unlawful.
