

WHAT'S YOUR VISION?

Welcome to the Cornelius Town Center Plan!

“A vibrant and prosperous town center is a sign that the rest of the city is thriving. Town centers provide a mix of attractions that draw people in from other areas of the city and neighboring communities. It’s where we gather in public spaces to eat, shop, and celebrate. Town centers are diverse places where we go to exchange culture and ideas. Most of all, a town center is a reflection of its people.”

What is the Cornelius Town Center Plan?

The City of Cornelius is launching an effort to revitalize its downtown. The past few years have seen enormous investment in new downtown infrastructure, including sidewalks, streetlights and ADA facilities. The Town Center Plan will build on those efforts to envision the future of Cornelius’ downtown and main street corridor. Through the encouragement of private investment and employment growth, tools will be established to implement that vision.

Your Voice Counts!

The City of Cornelius encourages community members to share their vision for a re-imagined Cornelius town center. This summer, we will be visiting neighborhoods, schools, churches and businesses to hear ideas. Please visit the project website regularly to share your ideas and opinions.
