

**CITY OF CORNELIUS
SIDEWALK IMPROVEMENT PROJECT**

PROJECT INFORMATION:

- The City of Cornelius is planning a sidewalk improvement project to add sidewalks in the neighborhood. This map shows the approximate location of planned survey to support the design of the improvements.
- Underground utility locates will be painted on the ground within the survey limits shown.
- A survey crew will be present to complete a topographic and boundary survey within the area.

Please contact Terry Keyes, PE, City Engineering, City of Cornelius, with any questions.
